

HIGHWAYS

Report and review of the 7th *Highways Magazine* Charity Golf Championship

In keeping with the six previous years that we have played for the cup, the weather on the day was fantastic.

A record turn out of teams played, in the greatest of spirit, with balls kindly supplied by Colas Ltd.

Howard Cooke, Asphalt Reinforcement Services, nearly had to buy the dreaded "Drinks all round" after almost holing his tee shot on the par 3, 16th, to win "Nearest the pin".

However, it was both power and accuracy that saw Dave Gilchrist, Causeway Technologies, hit the "Longest Drive" of the day whilst keeping it on the fairway to walk away with his coveted prize.

Team prizes in reverse order :

3rd place, and amongst the prizes yet again, were the team from Route Signs. 2nd place went to Stirling Lloyd but out in front, and the Winners by an uncomfortable one shot, were the 1st Placed team from Concrete Repairs Ltd.

Pictured at right with the Trophy are the winning team.

As ever these days are only made possible by the participation of the teams and the generosity of the days sponsors who we would like to thank on behalf of the Lighthouse Charity and who are shown below here;

Highways magazine would like to thank the following companies for entering a team this year:

- Causeway
- Lafarge
- Amey Infrastructure
- Stirling Lloyd
- TMCA
- Nynas
- Highway Traffic Management
- Asphalt Reinforcement Services
- JSP
- Prismo South
- Route Signs
- Philtech
- Morelock
- Concrete Repairs
- Brintex

Sponsors

A special thank-you to the sponsors without whom the day would not have been possible
