

# Highways Magazine Charity Golf Day 20th July 2007

This year's event was played on probably the wettest day of the year and as such had to be played over the only 9 playable holes. This did not deter the teams who had travelled from all over the UK who, recognising the worthy cause of the Lighthouse Charity, competed admirably – this despite being called in for a lightening delay at one point! (Pics 1 and 2).

In the evening we were delighted to have Jimmy Cook, Chairman of the Midlands Branch, who came and gave a short presentation on the work of the Lighthouse Club which reaffirmed everybody's decision to play in such extreme conditions.

First place were Capital Highways, whose team was made up by Martyn Grimwood, Matthew Davies and Grant Jones who were captained by Derek Smith. (Pic 3).

Second Place Traffic Management Contractors Association, (Pic 4).

Third Place RouteSigns (Pic 5).

Nearest the Pin was Andy Hewitt (pic 6) of the Crown Cutting Services team and Longest Drive was Ms Rosie Chisholm-Hill (pic 7) of the Morelock Signs team.

On the day in excess of £500 was raised, and we look forward to next year's event which will be the TENTH Anniversary of the Highways Magazine Charity Golf Day.

We would like to thank all of the teams who participated and, or, sponsored the event;

In alphabetical order they were;

Alfred McAlpine, ASI, Capital Highways, Colas, Concrete Repairs, Crown Cutting Services, HTM, Lafarge, Morelock, Nynas Bitumen, Nuphalt, Route Signs, Sanderson Associates, and Signature Ltd.

## Sponsors

Colas, Route Signs, Concrete Repairs, LaFarge, HTM, Nu-Phalt and Nynas.
